

Welcome talks

A warm welcome is offered by the Vice Chancellor Prof Ruth Farwell. These introductory presentations will give you an overview of our range of courses, facilities and our future plans.

Fees and finance talks

These sessions will outline the changes to tuition fee arrangements and the financial support available from the Government. It also explains the very generous financial support packages on offer at Bucks including our 'Big Deal', a student support package offered by no other University.

Tips on applying

This informative session covers the UCAS application process and tips on completing your personal statement. It will also give you information on what to do once you have applied.

Student experience talks

If you would like to find out what being a Bucks student is really like, why not come along to this informal session led by our current students.

High Wycombe Campus tours

Tours of the High Wycombe Campus will be running throughout the day from a designated point outside The Gateway building. This will include an opportunity to view The Gateway including the Learning Resource Centre and Sports & Fitness Centre, Students' Union facilities, recently re-furnished lecture theatres and 'Beats' our Students' Union run cafe. They last approximately 30 minutes.

Time: departing every 15 minutes from 11.30am

Music studio tours

For those interested in viewing our Music Studios, there is a separate tour which can be booked on at the School of Music, Entertainment and the Moving Image information desk in the Events Hall, The Gateway building. Please note places are limited, so book your place on the tour as soon as you arrival to avoid disappointment.

Time: between 11am and 2pm

Video editing suite tours

For those interested in viewing our Video Editing suites, these are in addition to the standard campus tours, which can be booked on at the School of Music, Entertainment and the Moving Image Information desk in the Events Hall, The Gateway building. Please note places are limited, so book your place on the tour as soon as you arrival to avoid disappointment.

Time: between 11am and 2pm

University Open Day

Wed 24 February 2010 11am – 4pm

Use this planner to decide which activities you would like to attend. If you have any questions or would like advice on the most appropriate sessions to attend or room locations, please speak to a member of the team at the registration desk.

Please note many general sessions run at different points throughout the day to enable you to fit this around course sessions.

Academic Fair

Representatives from industry-focused faculties and our partner colleges (Amersham & Wycombe College and Berkshire College of Agriculture) will be available in the Events Hall, Gateway building throughout the day to speak to students and parents informally. Additional course information will also be available to collect.

In addition to this, please refer to the programme overleaf for information regarding other course specific activities and presentations.

Information Fair

Representatives from all of our support services will be available throughout the day on the Gateway link bridge to deal with any issues or questions you may have. These include:

- Accommodation
- Admissions & Recruitment
- Advice and Representation Centre (ARC)/Students' Union
- Student & Academic Services (including disability and money advice, tuition fee advice).

Refreshments

Complimentary tea, coffee and muffins will be available throughout the day, but if you would like to purchase additional food and drinks please visit Beats on the first floor of East Wing.
