

Quick Start Guide

Logging into Blackboard

What is Blackboard?

Blackboard Learn is the Virtual Learning Environment (VLE) used at Bucks New University. Here you will find all your course materials and other important information about university services. To submit course work you will need to use TurnitinUK which is also accessed from Blackboard.

All students and staff have access to Blackboard and once you have received your Bucks username and password, you are ready to log in.

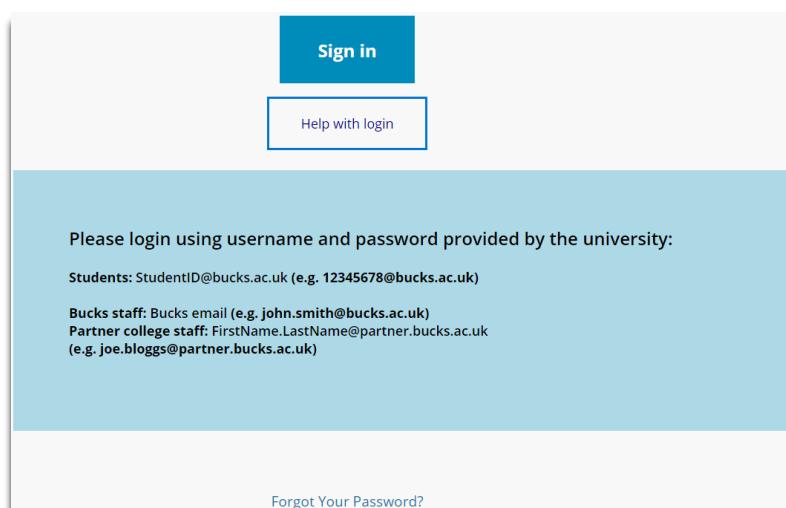

How to access Blackboard

1. Go to <https://my.bucks.ac.uk>
2. Click the **Sign In** option, which directs you to a Microsoft page. Enter your **Username** and at the organisational sign in page, enter your **account password**.

Username for Bucks New University students (including Partner College students): This is your Bucks email, which is your student ID, then @bucks.ac.uk (e.g. 12345678@bucks.ac.uk)

Username for Bucks New University staff: This is your Bucks email, which is your FirstName.LastName then @bucks.ac.uk (e.g. Joe.Bloggs@bucks.ac.uk)

Username for Partner College Staff: This is the username provided to you by IT, which is your FirstName.LastName then @ partner.bucks.ac.uk (e.g. Joe.Bloggs@partner.bucks.ac.uk)

Remember to set up your password recovery options and reset your password anytime at <https://mypassword.bucks.ac.uk>
